

PAYware Connect

The screen shots below will demonstrate the step-by-step process you will need to take to view your Ending Tills Report, check for duplicate or declined transactions, void a transaction, or process a transaction in PAYware Connect.

PAYware Connect Login

The screenshot shows the login interface for the PAYware Connect system. At the top left, the NMA National Merchant Alliance logo is displayed. Below it, the text 'Store Portal' and 'VeriFone PAYware Connect' are visible. In the top right corner, there is a 'Not Logged in.' status indicator. The main content area features a 'Login Credentials' form with three input fields: 'Merchant Code:', 'Username:', and 'Password:'. A 'Login' button is positioned below the password field, and a 'Forgot Credentials' link is located to the right of the form. The VeriFone logo, with the tagline 'THE WAY TO PAY™', is positioned at the bottom left of the page.

Go to <https://ipcharge.com/nma/MC> and you will see this screen. You'll need to enter your Merchant Code, Username, and Password in order to view your information.
